

Responsibility Agreement

Many of the energy healing modalities that you may engage with when working with Adam Shanagher or The Energy Healing Consultant Ltd are very powerful healing arts. Therefore, it is to be expected that various situations can arise from working with these modalities. New insights can materialise. Certain problems, either physical or emotional, may be alleviated. Deep mystical experiences can occur, as well as life-changing realisations. But sometimes, suppressed emotions or physical tensions may receive enough healing energy to be pushed to surface, so they can be released or resolved, and this process may create various emotional or physical symptoms. Deep healing is a process that is intended to create changes in one's life, and those changes can manifest physically, emotionally and spiritually. It is all part of the healing process.

I agree that I have read and understood the above paragraph and agree that The Energy Healing Consultant Limited, as well as Adam Shanagher, are not responsible for any individual symptoms that may arise as a result of working with these energy healing modalities in, or outside, the context of an Energy Healing Consultation. I agree to take personal responsibility for whatever physical or emotional symptoms may arise as part of the healing process, as well as to take responsibility for seeking medical treatment when I perceive it is necessary.

I understand that Adam Shanagher is neither a medical professional, nor a psychotherapist, and that he, and The Energy Healing Consultant Limited, are practicing neither medicine nor psychotherapy. Although The Energy Healing Consultant Limited or Adam Shanagher may comment on the nature of body energetics and consciousness in relation to disease and mental health, it is understood that these comments are not intended as advice for any course of action for any medical or mental health issues that I may have. I understand and agree that the consultations given do not take the place of medical treatment or evaluations, when needed, and that these consultations are not intended to treat any health condition or disease that I may have.

I understand that any payments for consultations are not for any specific results, but for the time the consultant takes with me to conduct and facilitate the consultation, and for the information and advice they provide. I agree that I am liable for payment of any scheduled appointment unless I reschedule or cancel it myself at least 48 hours before the scheduled appointment time.
